Falling in love with
Stone bathware

Liebe auf den ersten Blick
Bäder aus Stein!

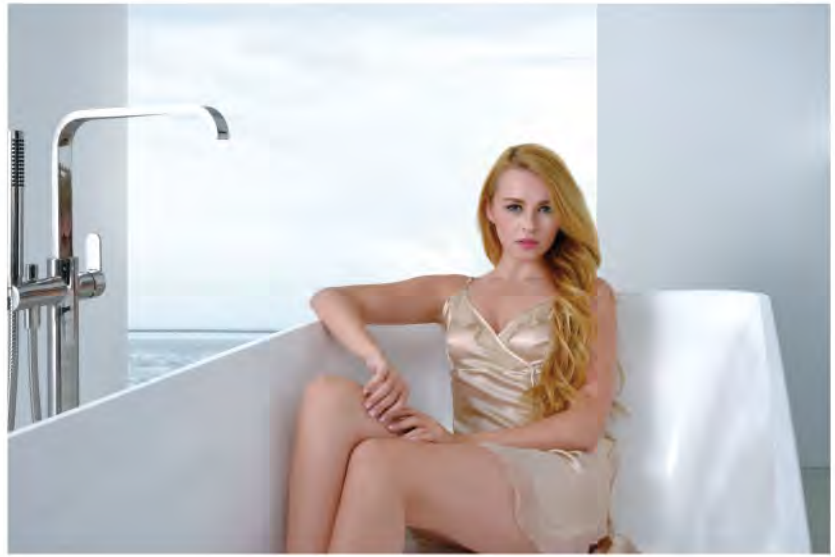

Company profile

We are specializing in the production and distribution of poly stone bathware.

We are committing to offering high-quality bathware that allow people to derive greater comfort and enjoyment from this vital resource while using them.

We are also committed to giving you higher standards and best designs. We have been manufactured using the latest technology, highest grades of raw material and strictest levels of qc.

We warmly welcome your inquirles with topbath and promise world class service and cooperation.

Unser Anspruch!

Als Spezialisten für Produktion und Design von Bädern aus Poly-Stein streben wir nach hoher Qualität zugunsten Ihrer Ansprüche! Dabei sind kreatives, modernes Design, höchste Standards in der Verarbeitung bei gleichzeitiger Nutzung neuester Technologien ein absolutes Muss!
Abgerundet wird dies mit einem tiefgestaffelten Konzept ausgezeichneter Qualitätskontrollen.
Nehmen Sie uns beim Wort! Unser Team freut sich Ihnen Top-Service zu Top-Preisen zu bieten.

Matt or glossy

The standard model of our designs comes with a matt finish.
A glossy surface can be added without additional cost.

matt oder glänzend

Standardmäßig sind unsere Produkte in eleganter, seidenmatter Haptik gefertigt.
Wenn Sie lieber glänzende Oberfläche wünschen, können wir dies ohne Aufpreis für Sie realisieren.

10 Year warranty limited

We are proud to provide 10 year limited
warranty to support our commitment to your satisfaction .
Although our products are tough and durable ,
they are not indestructible.
They will require a little regular maintenance to keep their surfaces at their
best and ensure years of service from your investment.

10 Jahre Herstellergarantie

Unsere Produkte sind robust und extrem langlebig.
Mit ein wenig regelmäßiger Pflege behalten unsere Produkte eine lebenslange,
zeitlose Schönheit.
Wir bieten Ihnen 10 Jahre Garantie ohne wenn und aber,
denn Ihre Zufriedenheit ist uns sehr wichtig!

Customization

From partial to total customization of products according to project specifications (sizes, shapes, textures, colors).

Individualisierung

Teil- bis Vollindividualisierung von Produkten gemäß Projektspezifikationen (Größen, Formen, Oberflächen, Farben).

Customization

Materials

Poly stone is an innovative material which were chosen for luxury hotel and resorts for its soft touch effect, its beauty and its similarity to the natural stone. It is a composite of acrylic polymer and natural minerals. Our products are manufactured to be eco-friendly using non-toxic materials that are 100% safe for our clients. It is dense and non-porous, hygienic, durable and pleasant-touching. It is the ideal material for high quality bathroom fixtures.

Das Material!

Poly-Stein ist ein innovatives Material das durch seinen Soft-Touch, seiner Schönheit und die Ähnlichkeit zum Naturstein überzeugt und sich sehr gut verarbeiten lässt. Das Material setzt sich zusammen aus Acryl, Polymer und natürlichen Gestein. Poly-Stein wird von uns auf ökologischer Basis und frei von giftigen Stoffen hergestellt. Das führt zu einer hohen Umweltverträglichkeit und Sicherheit. Die hervorragenden Eigenschaften von Poly-Stein sind somit das ideale Material für qualitativ hochwertige Bäder. Ein Plus z.B. für viele Luxushotels und Resorts. Darunter über 50 5-Sterne Häuser, Ihre Bäder entsprechend mit unseren Poly-Stein Lösungen auszustatten.

All the designs are unique,original and patented.
All unsere Designs sind Unikate, unverwechselbar und natürlich durch weltweite Patente gesichert.

Design

We work with well-known designers and design teams, because we think that there is more to product development than finding a form that will be in demand. Good design will always support the function of a product as well, and will ideally do so at all levels, from inspiring planning, to safe assembly, to easy, comfortable use.
All the designs are original and patented

Liebe zum Design!

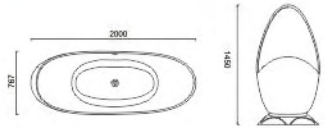

Seit Jahren arbeiten wir vertrauensvoll mit namhaften Designern und Design-Teams zusammen. Stets auf der Suche aktuelle Markttrends zu finden und noch besser zu kreieren. Dabei stehen Design und Funktionalität gleichermaßen im Focus. All unsere Designs sind Unikate, unverwechselbar und natürlich durch weltweite Patente gesichert.
